3rd January 2019

Dear Parent/Carer,

Maths Booster

To support the children with their learning in maths, we are putting together before school sessions that will take place every Monday and Tuesday from Monday 14th January 2019 until the end of term. These sessions will be run by Ms Southgate and will take place in 6CB. The session will begin at 8.20am and end at 8.50am. This is an opportunity for your child to discuss learning they are unsecure with and have time to go through concepts and methods they are support with.

The first maths session will take place on **Monday 14th January 2019**.

Your child will need to come to the external door to 6CB and will be greeted by Ms Southgate or Mrs Collier-Brown.

We think these sessions will be a success as they will not only develop important maths skills, but will also increase your child's confidence.

Yours sincerely,

Heidi Collier-Brown
